MEMORANDUM FOR GENERAL COUNSEL, DEPARTMENT OF DEFENSE
ATTN: Director, Legislative Reference Service

SUBJECT: Expiring Laws

Reference: Your memorandum, same subject, January 2, 1986.

1. The following is provided in response to referenced memorandum:

a. It is recommended that Section 8087 of the FY 1986 DoD Appropriations Bill (Pub. L. 99-190) pertaining to the procurement of professional mapping, charting and geodetic services by DMA, be permitted to expire.

b. Section 8091 of the FY 1986 DoD Appropriations Bill (Pub. L. 99-190) will affect the Defense Mapping Agency (DMA) upon expiration. This section provides authority for DMA to exchange or furnish mapping, charting, and geodetic (MC&G) data, supplies or services to a foreign country pursuant to an agreement for the production or exchange of MC&G data. The FY 1987 Intelligence Authorization Bill contains a provision to amend Title 10, Chapter 167, by adding a new Section 2795 to provide for the exchange of MC&G data. It is recommended that Section 8091 of Pub. L. 99-190 be permitted to expire if a new Section 2795 is added to Chapter 167 of Title 10 when the FY 1987 Intelligence Authorization Bill is signed into law.

2. Any questions may be directed to the undersigned (653-1406).
